

*Beyond the Emergency: Telecare for Non-Communicable Diseases through Simulation Techniques (2021-2024)*

Funded by the  
European Union

# BEYOND THE EMERGENCY

## *BeEmTel PROJECT*

*Telecare for Non-Communicable Diseases through Simulation Techniques*

*New Learning Experience through  
Simulation and Telemedicine*

**28 February - 1 and 2 March 2022 | Agenda**

14:00 – 17:00 CET

Zoom: Coming Soon

### **PROGRAM 28 February**

**14:00- 14:30**

#### **Welcome (UPO Governance)**

Introduction by BeEmTel Scientific Coordinator

Prof. Gianluca Aimaretti (DIMET - UPO Director)

Greetings of the Rector UPO prof. Gian Carlo Avanzi

Greetings by Governance UPO:

prof. Francesco Della Corte (SIMNOVA - UPO)

prof. Alberto Dal Molin (DIMET - UPO)

prof. Cristina Meini (DiSSTE - UPO)

**14:30-14:55**

**BeEmTel Project Presentation**

**Background, Goals and Project Results**

Dr. Emiliano Loria (PM BeEmTel-DIMET UPO)

Italian Associated Partners Presentation

**14:55-15:15**

**SIMNOVA - Novara Simulation Centre Presentation**

*The role of Simnova in BeEmTel Teaching Activities*

Prof. Francesco Della Corte (Simnova UPO Director)

**15:15-15:40**

**University of Thessaly (Greece) - Nursing and Simulation**

Prof. Evangelos Fradelos (Nursing Department)

Tasks and roles of University of Thessaly for BeEmTel Partnership

Greek Associated Partners Presentation

**15:40-15:50**

**Coffee Break**

**15:50-16:20**

**BeEmTel Working Groups:**

Dissemination Group

Dr. Aurora Falcone (Simnova UPO)

Dr. Carmela Rinaldi (Aging Project UPO)

Dr. Emiliano Loria (BeEmTel UPO)

*Presentation of Communication Plan*

**16:20-16:50**

**Open Questions**

**16:50-17:00**

**Conclusions**

**PROGRAM 1 March**

**14:00-16:30 CET**

**14:00-14:10**

**Welcome (UPO Governance)**

Greetings by BeEmTel Scientific Coordinator

Prof. Gianluca Aimaretti (DIMET Director)

**14:10-14:25**

**Telemedicine today: the new frontiers of interventions**

Introduction by prof. Marco Invernizzi (Dimet - UPO)

**14:25-14:50**

**National Centre of Telemedicine - ISS (Italy)**

prof. Francesco Gabbrielli (ISS - Rome)

Tasks and roles of National Centre of Telemedicine for BeEmTel

**14:50-15:15**

**Department of Emergency Situations –  
Ministry of Internal Affairs (Romania)**

Dr. Bogdan Pop (DSU-Bucarest)

Tasks and roles of DSU for BeEmTel

**15:15-15.40**

**University Medicine, Pharmacy, Sciences and Technology  
“George Emil Parade” (Romania)**

Prof. Cristian Boeriu (UMFST - Târgu Mureş)

Tasks and roles of UMFST for BeEmTel

**15:40-15.50**

**Coffee Break**

**15.50-16.20**

**BeEmTel Working Groups:**

*The Quality Committee Activities*

Dr. Michela Barisone (BeEmTel UPO)

**16:20-16:40**

**Open Questions**

**16:40-16:50**

**Conclusions**

**PROGRAM 2 March**

**14:00 - 16:30 CET**

**14:00-14:10**

**Welcome (UPO Governance)**

Greetings by BeEmTel Scientific Coordinator

Prof. Gianluca Aimaretti (DIMET Director)

**14:10-14:25**

**New Challenges for Simulation Learning Experiences**

Prof. Francesco Della Corte (Simnova UPO Director)

**14:25-14:50**

**Human Simulation Center Ludwig-Maximilians University**

Prof. Marc Lazarovici (LMU - Munich)

Tasks and roles of LMU in BeEmTel Partnership

German Associated Partners

**14:50-15:15**

**Univerisity of Applied Health Science (Croatia)**

prof. Snježana Čukljek (ZDU - Zagreb)

Tasks and roles of ZDU in BeEmTel Partnership

Croatian Associated Partners

**15:15-15:25**

**Coffe Break**

**15:20-15:40**

**BeEmTel Working Groups:**

*Tutoring Group Presentation: Learners Selection and Tutoring*

Dr. Emiliano Loria (PM BeEmTel UPO)

**15:40-16:00**

**BeEmTel Project Details:**

Budgeting rules and Partnership Agreement Presentation

Transnational Project Meetings

Learning/Teaching/Training Activities (LTTA)

Multiplyier events

**16:00-16:20**

**Open Questions**

**16:20-16:30**

**Conclusions**
